Containers

The Board of Trade have examined and tested, with reference to the material of which and the principle on which it is constructed, a pattern of a liquid measuring instrument, for delivering in quantities of 1 gallon, of the form shown herein, which has been submitted to the Department under the provisions of Section 6 of the above Act, and have issued a Certificate, No. 423, dated 8th November, 1928, that the pattern is not such as to facilitate the perpetration of fraud when used for the measurement of petrol or other liquids of low viscosity.
